We are especially thankful for the people who did all the work to get ready for our arrival and we are looking forward to a fruitful year among you. We expect to learn much and hope to teach something during our time here. We would be pleased to meet any persons who would like to share with us and our house is always open.

PARISH COUNCIL NOTES

The monthly meeting of Bar Hill Parish Council was held on Tuesday 19th August in the Village Hall.

Works Department

We apologise to villagers for the length of time it is taking to complete the drainage of the Village Green and the kerbing improvements in Viking Way. Like all other organisations the Parish Council is conscious of the need to practise economies wherever possible and in order to keep costs to a minimum these operations are being carried out using our own labour force and trying to avoid hiring fees for equipment by borrowing this when we can. To some extent we are therefore dependent on the goodwill of other parties, but we feel that this is justified by the reduction in costs. The work will be completed as soon as possible. Our younger residents will have noticed that the play equipment on the Village Green has now been reinstated and Wicksteeds have promised to make good the damage caused to grass in that area.

Verges in Appletrees

Several complaints have been made about the "service verges" in Appletrees. These are the areas where the tarmac pavement gives way to a grassed surface. They were poorly laid and are now badly rutted, making maintenance almost impossible. The Parish Council fully agrees with the views expressed by the complainants and we shall be writing to New Ideal Homes Ltd. on the subject.

Crop spraying

Some residents may have been alarmed recently by an aircraft flying very low over parts of the village. The plane was carrying out Crop Spraying and complaints were made to the police of the potential danger being caused. We have also written to The National Farmers Union saying that although we appreciate the need for this particular operation, and the fact that it is not possible to say on exactly which days it will be done, we would be glad if a general warning could be given by farmers intending to carry out this work in the near future.

The next meeting of the Parish Council will be held on Tuesday 11th September at 8pm in the Committee Room in the Village Hall.

LETTERS TO THE EDITOR

Dear Mr. Avery,

I would like an acknowledgement to be published in the next edition of the Magazine to the Villagers for their generous contribution to the Intensive Care Unit's fund, as organised by Mrs. Kit Brown.

My staff and I greatly appreciate the kindness shown on this occasion.

With many thanks.

Yours sincerely,

Mrs. G.I. Smith,
Acting Senior Nursing Officer
Addenbrooke's Hospital

To the mothers and fathers of all under tens

Fellow Ratepayers,

So we have to have a serious accident, a nasty illness or epidemic, and maybe, God Forbid, a fatality before you all fully appreciate the dangers of young children playing in and around our Lodes and drainage ditches!!

During the past ten days I have personally made dozens of small children stop playing in the Lodes. In some cases the kiddies are well under five years old.

I appeal to you and all adult members of our Village -
PLEASE STOP ANY YOUNGSTERS WHO YOU MAY SEE PLAYING IN THE
LODES AND DITCHES.

Tears and regrets are too late when the inevitable has happened. Children are the joy of all our lives and are the future of our Village. Please do not walk by on the other side. Please do not fail them when they need us most.

Be good neighbours, care about these little ones. You will find life very rewarding by so doing.

Yours Very Sincerely,
Derek Couzin-Wood,
District Councillor
21 Hollytrees

NATIONAL HOUSEWIVES REGISTER

Septembers' meetings are as follows:

Tues. 9th Sept. 8.00pm at 12 Acorn Ave.

Henry VIII and his six wives.

Six members will each take a wife and substantiate her claim to be Henry's rightful wife.

Wed. 17th Sept. 2.00pm at 42 Catlands Ave.

Energy Conservation. What are your ideas for conserving energy, either the nations or your own?

Thurs. 25th Sept. 8.00pm at 95 Appletrees

Is Religion, or a Faith really necessary? A discussion led by Pam Hart.

The programme planned originally for Sept. 25th has now been put forward to the end of October.

I've spent a brief but very enjoyable period as Local Organiser for NHR. What seemed like a daunting task to start with has proved to be quite rewarding; I think the excellent attendance of members during the past 10 months has had much to do with it. There seems to be every indication that NHR is now becoming established in the village. I wish Margaret Brown all success as the New Local Organiser.

Attention All Bookworms

THE STORY SO FAR

At a recent NHR meeting, an enthusiastic bookworm spoke up. "I've got a good idea," she said, "Let's start a Book Group." "Oh yes," cried a chorus of more bookworms, and so the NHR Book Group was born. Armed only with their Mobile Library tickets, these intrepid pioneers boldly went where no bookworm had been before. At their monthly meetings they fought off the lure of coffee, biscuits, recipe-swapping and nattering about the kids, and sometimes even achieved their objective - to talk about books. NOW READ ON ...

All other bookworms, whether NHR members or not, will be sure of a worm (sorry, WARM) welcome if they wriggle along to the next Book Group meeting at 8.00pm (or thereabouts) on Wednesday 3rd Sept. at 22 Foxhollow. We will be talking about the books we have each read during the past month, and discussing in particular our chosen book for this month, "The Hireling" by L.P. Hartley. Please don't think we are highbrow bookworms - we do read Agatha Christie as well and we even keep an open mind on Barbara Cartland....The only criterion is that whatever you read, you enjoy it. If all this strikes you as a novel idea don't be left on the shelf - turn over a new leaf and come and join the ... oh dear. Anyone know the collective noun for worms?

MEALS ON WHEELS SERVICE

This service to residents of Bar Hill was started on July 21st - with two helpers only - and unfortunately there have been no more offers of help and this very worth while and appreciated service will have to be suspended if no further help is forthcoming.

The help required is for half an hour Mondays, Wednesdays and Fridays from 11.50am, when the WRVS van delivers the meals to Bar Hill, outside the Health Centre. The meals are then carried in a thermal container, to the recipients - (2 at present) and the money for them collected. The more helpers we can get the longer the time between turns of service. If we could get 6 helpers, an interval of six weeks would be possible for each helper, or times could be adjusted to meet individual requirements.

Please think about helping, and if you can do so, or are needing more information, contact Sandra Peoples, C.H. 81826 or Lyn Moss, C.H. 81341

AUTUMN HOME NURSING COURSE

This course is planned to start on Wednesday September 24th at 8pm in the Health Centre. As stated in last months Bar Hill News, there will be 5 consecutive weekly lectures aimed to meet the needs of all caring for families, young and old. There will be no examination, but Attendance Vouchers will be issued to those attending all the sessions.

In order to get some idea of possible attendance the Cambridgeshire County Branch of the British Red Cross Society would be glad to know the names of those wishing to attend the course, the fee for which is £3.48 plus 52p V.A.T. (£4 for 5 lectures).

Enrolment forms can be obtained from the Health Centre or from Miss L. Moss, 4 Hanover Close and should be returned not later than 15th September.

BAR HILL PRE-SCHOOL PLAYGROUP

August has passed, holidays are forgotten and new school times are being established. Back to the old routine of washing and shopping, sweeping and house-keeping! Christmas is at least eighty shopping days away and it is too early to begin the planning and preparation of puddings, parcels and paper-chains, so have you time to spare and possibly a fretful, lonely toddler to entertain?

Time to sit down? Children's programmes on television and radio are often ideally timed for mid-morning, and afternoon coffee breaks. Television's 'You and Me' introduces topics of interest to toddlers and suggestions for follow up activities. Radio's 'Listen with Mother' gives an opportunity to brush up on long forgotten nursery rhymes and includes new and traditional stories. The Central Library in Cambridge offers a Story Time for the under 6's at 10am every Saturday giving parents time to choose books in peace, or to shop without a bored child!

Time to discover new ideas? The Ladybird Playbooks, designed for Parents and Children to use together, are full of suggestions of things to make and do. The Ladybird 'Things to Make' series also contain ideas for making toys, games and gifts from everyday materials. BBC publications accompanying children's programmes have interesting activities, articles and information based on the relevant programmes. Bar Hill Village has many varied activities, both educational and social, and children are welcomed during the day.

Time to walk and explore? If you are not already exhausted by the daily perambulation to and from school there are many interesting walks in the local area. "Walking in and around near St. Ives" has detailed information on villages and views. Children would enjoy puzzling out the turf maze at Hilton or feeding the ducks at a village pond. Cambridgeshire has many museums and most young children find something of interest in them, during a short visit. The 'Brief Guide to 20 museums in Cambridgeshire' gives information of contents and times.

Time on Saturday 13th Sept. to support the Bar Hill Village Fete? Bring the children to Playgroup's Children's Corner with activities and stalls especially for the young. Let them aim a bean bag, be made up with Face Paint or just play. The Fancy Dress Competition has a Nursery Rhyme Theme, admission is free and prizes will be given for the three age groups. Watch for posters giving details of time and place.

September heralds the start of the school year and, for some children, the beginning of school and playgroup for the first time. This is usually accompanied by sighs of relief from the whole family! Children need others in their play so Playgroup, Mothers and Toddlers and the informal circle of playmates at home satisfies this need at different stages. If you would like your three year old to start Playgroup come along during term time and arrange the sessions with the Supervisors and see the Playgroup in action. Later you may like to help out as a Mother Helper.

We look forward to meeting you.

ROAD SAFETY IN BAR HILL

Can we remind children and parents that the footpaths in the village are provided to give traffic-free access for cyclists and pedestrians to most areas of the village. Most of the roads appear to be traffic free, but cars and vans can appear unexpectedly. There is a particular hazard behind the Health Centre where children, some as young as 4 or 5 cross over the entrance to Hanover Close from the Park (behind Otter Close and Otter Gardens). Drivers visiting the Health Centre or delivering supplies cannot see the park when they turn the corner from Viking Way, and would not normally expect to find children playing in this area.

CHILDREN - PLEASE KEEP OFF THE ROADS WHERE YOU CAN

DRIVERS - PLEASE WATCH OUT FOR CHILDREN ANYWHERE IN THE VILLAGE

DOG OWNERS - Can you all be as responsible as some and train your dog not to cause a nuisance in our parks, grassed areas and footpaths.

PLEASE KEEP BAR HILL TIDY
